ukactive Active Lives Membership

Join hundreds of organisations already benefiting from the ukactive 'Active Lives' membership. Designed to support any organisation that is seeking to maximise its impact in getting more people, more active, more often within a community setting, Active Lives members gain access to the largest thought-leadership network of public health professionals, activity providers and Sport and Exercise Medicine academics in the UK. Keep up-to-date with the latest policy developments, access tailored guidance on your own research and evaluation strategies, and gain insight into developing effective interventions and models of behaviour change alongside peers and experts in the field.

Active Lives includes

- **Strategic advice & counsel-** ukactive is able to provide tailored insight on engagement, participation and outreach strategies based on our extensive network and experience of programmes in place across the country.
- **Discounts & opportunities to attend sector events** such as the ukactive Summit, Educational Seminars + priority booking access to the Moving More, Living More fora.
- Discounted access to **ukactive consultancy and evaluation services.**
- **Keep up to date with the sector** by attending our dedicated public health roundtable events + receive our monthly public health electronic newsletter, Daily Media Review summarising the coverage of physical activity in the press and all associated media
- **Benchmarking-** using our extensive research data, ukactive will provide tailored feedback on programmes comparable to yours.
- **Advice and guidance on application funding.** Using our exclusive reports, ukactive logo and feedback, ukactive can help with a variety of funding applications.
- **Key insight** from our industry reports, research institute + Promising Practice programme.
- Opportunities for your community venues to get involved in flagship ukactive programmes such as **National Fitness Day + Change4Life 'Get Going'**.
- **ukactive logo-** Join the movement to Turn the Tide of Inactivity by displaying our logo on your digital and printed communications.
