

ukactive Kids Membership

More People, More Active, More Often

By becoming a ukactive Kids member you demonstrate your unwavering support to our overall mission of getting more people, more active, more often. Through your membership, we will support you in driving the policy agenda as well as providing you with strategic advice, guidance and insight within key areas of the sector.

- **Access the experience of the ukactive team** for advice and guidance on application funding. Using our exclusive reports and feedback through a free of charge consultation session, ukactive can help with a variety of funding applications and business development.
- **Receive tailored insight on engagement, participation and outreach strategies** based on ukactive's extensive network and experience of programmes in place across the country.
- **Gain key insight** from our industry reports, ukactive Research Institute and Promising Practice programme.
- **Keep up to date with current trends through** Discounts & opportunities to attend sector events such as the ukactive Summit, Educational Seminars as well as discounted access to ukactive consultancy and evaluation services.
- **Hear the latest developments and keep up to date with the sector** by attending our dedicated workshop events and receive our monthly Children's Activity electronic newsletter, Daily Media Review summarising the coverage of physical activity in the press and all associated media.
- **Engage with your community and be part of national campaigns** by getting involved in flagship ukactive programmes such as National Fitness Day and Change4Live 'Get Going'.
- **Join the movement to Turn the Tide of Inactivity** by displaying the ukactive logo on your digital and printed communications.
