

Jimmy Deane

For this award we would like to nominate Jimmy Deane, the Managing Director of Bath based Charity Sporting Family Change. The charity uses sport to empower, inspire and motivate local families. This encouragement helps them to raise their aspirations and make positive long-term lifestyle changes.

At Bath Sports and Leisure Centre, we have worked closely with Jimmy and the charity to help a group learn how to swim.

The confidence and self-esteem of the group has grown a tremendous amount during this process and this has only been possible due to Jimmy's patience and unwavering support.
