Introducing The Active Standard.

Elevate your facility's safety and reputation with our exclusive certification for ukactive members.

Our members are at the heart of everything we do

ukactive exists to improve the health of the nation by getting more people more active, more often. We campaign and lobby for change, while delivering outstanding services to support our members growth and fostering partnerships with a broad range of organisations that

4,000+ Members

We are trusted by more than 4,000 members, representing organisations across the public, private, independent and wider activity sectors

Sector wide

Our members range across the entire sector, including gyms, leisure centres, studios, sports bodies and other activity providers, major health bodies, consumer brands, tech firms and equipment manufacturers

United in our mission

We are united through our longstanding and uncompromising mission to get more people, more active, more often.
